Relevancy of Japanese patent publication No.: 62-173509

Japanese patent publication No.: 62-173509 shows an apparatus displaying a video image on a CRT screen 11 of a CRT 21 according to a rotation of the CRT 21 in an image display apparatus. The video image is not an on-screen-display (OSD). In addition, the video image is an document image having one of different sized documents to be displayed in a vertical or horizontal direction in a document filing system without displaying a useless space of the CRT screen 11 of the CRT 11 when the document having the one of the different sized documents is displayed in a different sized CRT screen rotated in the horizontal or vertical direction.
